

### REMARKS

Since the office action response submitted on March 16, 2006 was deemed non-compliant because the drawings were not properly identified in the top margin as "replacement drawings" as required by 37 CFR 1.121(d) the applicants are resubmitting that same office action response with the appropriate extension fee and drawings.

The Applicants wish to thank the Examiner for her careful consideration of the pending claims and for her indication that Claims 1-15 are allowed. Please cancel claims 16-20, without prejudice or disclaimer.

Attached are 8 replacement sheets of FIGS. 1-14, to replace the informal drawings. The application is in condition for allowance and allowance of the same is hereby respectfully requested.

Respectfully submitted,
